

THIS JUST IN!!!!!!!

Centel Is Technically Sponsored (or having our work cannibalized 50/50) by In-Q-Tel & DARPA!!!!

THIS IS HUGE NEWS shoutout to the Canadian Shell Corp that's silently exfiltrating our data 🥺 (We're not suing we just need to find someone who can try and poach us with money, fine women (aka bad bitches with or without candor), and money) and job satisfaction which is the most important part!
